

Make a Life Cycle Necklace

Materials: *Life Cycle Lily Pad Necklace* printable from www.scholastic.com/lfo, crayons, scissors, glue, yarn, cut-up paper drinking straws

- **Pass** out the printables and let kids color the pictures.
- **Next**, help kids cut out their lily pads. Help kids fold back the tabs on the lily pads and staple or tape to make a loop. Provide lengths of yarn and cut-up drinking straws.

- **From** right to left, have kids thread the lily pads in sequence by life cycle stage, separating them with a cut straw. (If you have one, a child-safe threading needle can help.) When kids' necklaces are in order, tie around the back of each child's neck to fit. It's a fabulous froggie fashion statement!

My name _____

Life Cycle Lily Pad Necklace

Teachers: Use this sheet with the activity on page 6 of your Teaching Guide.

Cut out on the dotted lines. Fold tab back and staple to make a loop.
